Work Experience

Web Designer & Developer Tim Intellects

January 2025 – Present

Design and develop responsive, user-friendly websites and web applications using WordPress, WooCommerce, Shopify, HTML, CSS, JavaScript, React.js, Node.js, and Wix. Collaborate with clients and cross-functional teams to deliver high-performance, SEO-friendly, and business-focused digital solutions while maintaining clean code and modern UI/UX standards.

Project Coordinator IB Arts Pvt. Ltd.

August 2024 – December 2024

Coordinated multiple web development projects by managing timelines, communicating with clients, and ensuring smooth collaboration between designers and developers. Monitored project progress, gathered client requirements, and helped deliver projects on schedule while maintaining quality standards.

Web Developer Wave Wander Solution

July 2023 – April 2024

Developed and maintained responsive websites using WordPress, HTML, CSS, JavaScript, React.js, and MySQL. Customized WordPress themes, built dynamic web features, optimized website performance, and collaborated with the development team to deliver scalable and user-focused web solutions.
